WHO DO WE ACT FOR

We usually act on your behalf and in your interests in all matters. Sometimes, it may be more appropriate for us to access insurance or manage claims where we act as an agent of the insurer. If and when this situation arises we will explain and highlight this to you.

OUR SERVICES AND PRODUCTS

We offer a range of services to assist you to protect your assets and guard against unexpected liabilities including reviewing and advising on your insurance needs, identifying risk factors to avoid claims and seeking competitive premium quotations.

We can advise and arrange Professional Indemnity and Public Liability Insurance covers.

RETAIL CLIENTS

Under the Corporations Act 2001 (The Act) Retail Clients are provided with additional protection from other clients. The Act defines Retail Clients as:

Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people And that are purchasing the following types of insurance covers:

Motor vehicle, home building, contents, personal and domestic, sickness/accident/travel, consumer credit and other classes as prescribed by regulations.

Some of the information in this FSG only applies to Retail Clients and it is important that you understand if you are covered by the additional protection provided.

RETAIL CLIENT ISSUES

Typically we only provide General Advice to our Retail Clients. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it. We will provide you with a General Advice Warning in such cases.

If you are a new Retail Client purchasing Personal Accident or Sickness insurance and obtain Personal Advice, that is, advice that takes into account your particular circumstances, we will give you a **Statement of Advice (SOA)**, that sets out the advice provided and the basis on which the advice is made and our remuneration should you purchase the product.

For existing Retail Clients we may not provide an SOA but rather provide the advice to you orally. In such cases you may request us to provide you with a Record of Advice (via phone or in writing) which we will provide to you within 28 days of such request.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurance providers we deal with regularly.

If we recommend the purchase of a particular financial product, we will also give you a **Product Disclosure Statement** at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.

This remuneration is payable if they meet certain agreed sales and/or profitability targets set by the insurer. If they have profit share arrangements with an insurer that apply to a product we recommend to you, we will advise you of this at the time of making any such recommendation if the amount involved is material.

Gamman retains the interest on premiums paid by you that are held in their trust account before paying the insurer.

If you pay by credit card we may charge a credit card fee, which is shown separately on our invoices and is non-refundable. This fee covers the cost of bank charges etc. associated with such facilities.
